

## Holiday Schedule

**Thanksgiving Day** There will be no interruption in garbage, recycling and greenwaste collection service on Thanksgiving Day. The Transfer Station, Recycling Center and main office will be closed Thursday, November 27.

**Christmas Day** falls on a Thursday this year, therefore garbage, recycling and greenwaste collection service will be delayed by one day for Thursday and Friday pick-ups. In other words, Monday, Tuesday, Wednesday pick-ups are on their scheduled day but **Thursday pick-ups will be on Friday, Friday pick-ups on Saturday**. The Transfer Station, Recycling Center and office will be closed Thursday, December 25th.

**New Years Day** also falls on a Thursday this year, therefore garbage, recycling and greenwaste collection service will be delayed by one day for Thursday and Friday pick-ups. In other words, Monday, Tuesday, and Wednesday pick-ups are on their scheduled day but **Thursday pick-ups will be on Friday and Friday pick-ups on Saturday**. The Transfer Station, Recycling Center and office will be closed Thursday, January 1st.

**Christmas Tree Pickup** Pleasanton Garbage Service will pickup Christmas trees that are placed at the curb on Saturday, January 10th. Trees must be placed curb side the night before pickup and cut in four-foot sections. Please remove stands, tinsel, ornaments and lights. Pleasanton Garbage Service is not responsible for any decorations that are left on the tree. Or, you may place your Christmas tree cut in two foot sections inside your greenwaste container and it will be picked up on your regular pickup day. Pleasanton Residents may also bring Christmas trees to the Transfer Station at 3110 Busch Rd. free of charge until January 31, 2015. If you have any questions, please give our office a call at (925) 846-2042 or visit our Web site at: [www.pleasantongarbage.com](http://www.pleasantongarbage.com)

**Boy Scout Tree Recycling Day** Boy Scout Troop 941 in Pleasanton will hold it's annual Christmas Tree Pickup and Recycling Day on Saturday, January 3, 2015. For more information or to place a reservation online, please visit Boy Scout Troop 941 at [www.Troop941.Org](http://www.Troop941.Org).

### We want our service to be the best, and you can help

Please place your cart at the curb edge with **at least 3 feet of clearance** from other objects, including other carts, basketball hoops and motor vehicles. Make sure your cart lid is down completely. Thank you for helping us provide you with the best possible service. Together we can keep our neighborhoods safe and clean.

**Please, no dirt, rocks, batteries, fluorescent lights, sharps or overloading - lids must be closed to prevent spills.**

**Recycling Cart Acceptable List** Paper, cardboard, aluminum containers and foil, steel or tin cans, glass bottles and jars, plastic bottles and tubs (such as yogurt, margarine and cottage cheese, numbers ♻️ through ♻️).

**Recycling Cart Non-Acceptable List** Waxed paper containers, plastic bags, foam packaging, paper towels & napkins, food soiled paper & cardboard, aerosol cans, diapers.

**Greenwaste Cart Acceptable List** Grass and weed clippings, shrubs and tree prunings (less than 4" in diameter), leaves, plants and flowers, food scraps and food soiled paper products.

**Greenwaste Cart Non-Acceptable List** No household garbage, no plastic bags, **no dirt or rocks**, no overloading - lid must be closed to prevent spills.

# PGS Helps Divert More Recyclables from the Landfill

We at Pleasanton Garbage Service are always looking for new ideas to help our community recycle and create a better environment. Two of our main goals is how can we divert more waste away from our landfills and how can we create programs that make it more convenient for our customers to divert trash from landfills.

This year Pleasanton Garbage Service donated 200 new recycling bins to the Alameda County Fairgrounds just before the Alameda County Fair. Fair visitors enthusiastically used the recycling containers throughout this years fair. Fairgrounds staff were very happy to have a more comprehensive recycling program. The result of the new recycling container use was the

collection of approximately 6 tons of recyclables during the County Fair alone. We expect other events throughout the year to divert more tons of recyclables from the landfill. Thanks to all of the fair visitors for placing your cans and recyclables in the blue recycling bins!

## PGS Helps to Keep Textiles Out of the Landfill

PGS is proud to support textile recycling by providing a convenient textile recycling bin from USAgain at our Transfer Station located at 3110 Busch Road. We're keeping the community green and giving you an easy option for recycling clothing, shoes and other household textiles. Just drop off your items at USAgain's green & white bin located in the rear of the yard near the "Buy-back" center. Clothes and shoes dropped in the bins are diverted from landfills to be reworn, reused or recycled - reducing your carbon footprint. In fact, every pound of textiles collected prevents the emission of 7 pounds of CO<sub>2</sub>. You may visit [www.usagain.com](http://www.usagain.com) for more information and other drop-off sites.

*Textile recycling services provided by USAgain.*

PLEASE DETACH HERE AND RETURN THIS PORTION WITH YOUR PAYMENT.

One stamp will be given for each 25 lbs. of recyclable material presented at the Buy Back Center. A total of 75 lbs. (3 stamps) of recyclable material must be presented during any given quarter to receive a credit. If you have an automated 96 gallon service, your quarterly credit will be \$3.51. If you have an automated 35 gallon service, your quarterly credit will be \$2.22.
